EXPERIENCE:

February 1995 through present
Sledd Cad Services, Inc.; Lakewood, Colorado

CAD DRAFTER/OWNER

Own and operate a home-based Computer Aided Drafting service meeting a wide variety of business needs. Including presentation quality, maps, drawings, and slides for mining, oil & gas, environmental, reports or presentations. Also provide Lisp programming, & 3D modeling and rendering. Now using AutoCAD Map 2010, AutoCAD Civil 3D, Microsoft publisher, Powerpoint.

May 1995 through September 1995
Denver Institute of Technology; Denver, Colorado

CAD INSTRUCTOR

Taught intermediate and advanced AutoCAD courses. Also taught Autolisp programming, 3D modeling, and rendering.

October 1993 through February 1995
Energy Fuels Nuclear/Concord Mining; Denver, Colorado

CAD DRAFTSMAN

Responsible for all drafting for mining projects including permit drawings, mine plans, land maps, drill hole maps, P&ID's, 3D piping drawings, construction drawings, cross sections, geologic maps, isopachs, and topos using AutoCAD R12 and AME. Wrote, verified, and installed AutoCAD LISP routines for several data management and plotting tasks. Designed and prepared maps, drawings, and presentation materials (brochures, 35mm slides, pamphlets) for large international mineral exploration and mining projects.

November 1991 through October 1993
Interpro; Golden, Colorado

CAD DRAFTSMAN

Prepared construction drawings for various pilot projects including 3D design drawings of plant and piping layouts, process design, electrical design, wiring diagrams and schematics, P&ID's, and process flow diagrams using AutoCAD R11 and R12 and AME. Supervised the construction of several pilot plants.

June 1990 through November 1991
Energy Fuels Nuclear Inc.; Kanab, Utah

EXPLORATION/OPERATIONS CAD DRAFTSMAN

Responsible for all drafting projects pertaining to exploration geology and geophysics programs. Also, worked on several Operations projects, including Mine Plan maps, mine level maps, flow diagrams and budget planning maps. Worked on geophysics field crew and performed underground surveying.

January 1988 through June 1990

EnecoTech Inc.; Denver, Colorado

DRAFTING AND GRAPHICS COORDINATOR

Responsible for all drafting and graphic projects using DesignCad, Generic Cad, Ventura Publisher and ORG software systems.

April 1986 through January 1988

Jefferson County Mapping Department; Golden, Colorado

REPRODUCTION TECHNICIAN

May 1985 through February 1986

Conoco Inc. North American Exploration; Golden, Colorado

DRAFTSMAN

September 1983 through May 1985

GeoData Corporation; Denver, Colorado

DRAFTSMAN/WAREHOUSE MANAGER

April 1983 through September 1983

Thatcher and Associates; Denver, Colorado

DRAFTSMAN/SURVEYOR

EDUCATION:

1/88 – 5/88	Intro to AutoCAD	Red Rocks Community College Lakewood, Colorado
6/81 – 3/83	Cartographic Drafting	Engineering Drafting College Lakewood, Colorado
9/79 – 9/80	Engineering Technology	Franklin University Columbus, Ohio

OTHER:

Attended AutoCAD training and version update seminars

Honorably Discharged U.S.M.C.
